Request To Rescind Previous Nonpublication Request
Under 35 U.S.C. § 122(b)(2)(B)(ii)

Pursuant to 35 U.S.C. § 122(b)(2)(B)(ii), Applicant hereby rescinds the non-publication request made January 18, 2002 under 35 U.S.C. 122(b) at the time of filing the above-referenced patent application. Furthermore, Applicant respectfully advises the Commissioner that the invention disclosed in the above-referenced patent application is the same or similar to the subject of other applications previously filed in foreign countries.

Due to a clerical oversight, and without deceptive intent, a non-publication request was submitted January 18, 2002 along with the above-referenced patent application at

the time of filing. The non-publication request was submitted only because, when preparing the non-publication request, Applicants did not recognize that counterpart foreign applications had previously been filed. Therefore, the certification made in the non-publication request is incorrect.

Notwithstanding this oversight, Applicants believe that publication will not be delayed or the public harmed, particularly since the non-publication request is being rescinded within seven days of its submission and the filing of the above referenced patent application.

Applicants believe that there are no fees required in connection with the filing of this Request. However, the Commissioner is hereby authorized to charge any required fees to Deposit Account No. 02-0384 of BAKER BOTTS L.L.P.

Respectfully submitted,
BAKER BOTTS L.L.P.
